

Obituary

Penelope Nettles, age 77, of Citrus Springs, FL passed away after a comparatively short dance with cancer on April 15, 2017. She turned down Chemo and prescription pain remedies and went out the way she wanted to, without being a burden to anyone and seemingly happy and content the last time she was seen awake a few days before the end.

Penelope is preceded in death by her parents, 2 cousins, a nephew, her son and many others including 2 local artists and longtime friends, Johanna Archibald and Delores Witt, as well as her lifelong friends who were more like family, Linda & Barry Pinder. She is survived by her sister and brother-in-law, her cousin and second cousins, nephew, two children, grandchildren, their adoptive parents and all of their siblings and spouses and last but not least her beautiful great-grandkids.

Private cremation is under the direction of Brown Funeral Home & Crematory in Lecanto, FL.
