

Obituary

Laura-Lee (Rowsell) Turner of Crystal River Florida passed away on March 11, 2018 after a courageous battle with escalating medical issues including acute respiratory failure and COPD. Laura-Lee leaves behind her husband Randy Turner, daughter Kayla Marie Turner, father Howard (Howie) Rowsell, 4 sister's; Karen Monteiro and husband John, Beverley (Bonnie) Mackey and husband Wayne, Dawn Zelkan-Healy and Jill Rowsell, her mother-in-law Donna Turner, 2 brother-in law's Roy Turner and Robert Turner, her Godfather and Uncle Rick Rowsell and wife Pat along with many nieces, nephews, and cousins. She was predeceased by her mother Barbara Marie (Reardon) Rowsell Lopes and father-in law Wayne Turner.

Many of you know her as Laura-Lee Rowsell of Scituate, Massachusetts and Milo, Maine. Laura-Lee was a little rough around the edges, but when she was happy there was no hiding it she had a bright smile and laughing eyes. Laura-lee was a mischievous child as into her adult life. She was born with some health issues and in spite of this set back, she kept a smile on her face and a sense of humor about her and never made any excuses about her circumstance.

Growing up in Scituate, she enjoyed bowling and playing card games. Laura-Lee had a soft spot for children and animals. She loved horses. After moving to Milo, she married Randy and gave birth to her pride and joy, Kayla Marie. Laura-Lee turned into a gentle but stern woman, who stood up for what she believed. Laura-Lee enjoyed crocheting blankets and quilts. She loved to laugh, although her sense of humor was often hard to understand.

Laura-Lee fought her battles hard until she couldn't outlast this final enemy. Laura-Lee spent her last two weeks with her daughter family and friends. She spent her last four days with her sisters and daughter. I think all of this brought her peace. In spite of her pain, she managed to joke around and smile. In the end, her lungs grew weaker and she succumbed to her battle with COPD and acute respiratory failure.

Over the past 11 years, Laura-Lee lived in Crystal River, Florida at the Cypress Cove Care Center. She managed to make good friends along the way for which her family is grateful.

God Bless Laura-Lee; may she rest in peace.

Private cremation will take place under the direction of Brown Funeral Home and Crematory in Lecanto, Florida.
