

Obituary

Rosalie Stanczyk, 72, faithful servant of the Lord, joined the angels and saints in heaven on April 10, 2020. She is survived by her two brothers, Stanley and Reginald, her sister-in-law Shelley, her three nieces, Kelley, Sarah and Katie, her grand niece and grand nephew, many cousins, and her uncle Edwin aged 101. Rosalie spent her personal and professional life helping others. She worked for her entire career in NYC as a social worker and spent her spare time always looking for ways to assist whomever she could. She retired to Florida and in spite of enduring five strokes continued as a loyal communicant and Eucharistic Minister at St. Elizabeth Ann Seton Catholic Church in Citrus Springs, FL until she could no longer walk or drive. Thanks to Richard Brown of Brown Funeral Home for handling the arrangements so wonderfully. A simple graveside service was held April 14, 2020 at Fero Memorial Gardens with a memorial service to follow at a later date. In place of flowers please make a donation to your favorite charity in Rosalie's name.
