

Susan Marie Stanchina, born Aug. 15, 1960, was a special woman whom many will miss. Her departure on September 11, 2023 was far too soon. Sue was born to parents John Edward Stephenson and Joyce Lynn Brown in Pontiac, Michigan.

Surviving are her siblings, children, grandchildren, her pups, and too numerous to count friends who became family over the years. Siblings are Robert Potter of Crystal River, FL, Jennifer Webster of Pinellas Park, FL, and Rebecca Potter of MI. Children are Matthew (Nikki) Indish and Heather (Jonathan) Indish-Nardi. Grandchildren are Zachry Indish, Taryn Indish, Calvin Leaf, and Vincent Nardi. Her beloved Gizmo, Puff, Sanchiel, Felix, and Abundance. Those she is reuniting with are her mother, Joyce Potter, her step father Clayton Potter, her father John Stephenson, her ex-husband and close friend Robert Militello, last but not least her soul mate Michael Stanchina.

Susan had many professional roles in life she had done machine shop work in her younger years, driven a bus for the city, worked at a veterinarian's office, did office work for a dentist, worked as a medical assistant at Citrus County jail, and most recently owned her own cleaning business, Cleaning by Sue LLC.

The state of Florida will have a little less sparkle as Susan has left the state. You could catch Susan playing corn hole on a Thursday night or enjoying the drum circle down at the beach. The amount of time spent on the water over the years is unfathomable. There will be an opportunity to share your stories with her loved ones at a celebration of life at a later date.
