

Eric Brussell passed away peacefully on January 9th, 2024 in the arms and presence of family at HCA Florida Ocala Hospital. Eric was born November 25, 1978 in Honesdale, Pennsylvania but moved to Citrus County when he was 4 years old and was a Florida man at heart. He attended Lecanto High School, class of 97, and was a member of the boy's soccer team. Straight after high school he got a job at PMI Ash where he was able to utilize his mastery in welding. Eric was quickly promoted to management at Duke Power Plant, where he worked for over 20 years, earning him quick respect and loyalty from his colleagues. During his down time, when he wasn't busy at the power plant, he was providing exceptional lawn services throughout the community with his privately owned lawn company. Eric will always be known for his hard work, and willingness to help others.

For those closest to Eric, he will be remembered for his bold personality, tenacity, relentless stubbornness, and his desire to live life to the fullest. He lived every day as though it were his last, leaving no rock or experience unturned. There was never a dull moment for him, as he was always engaged in some activity, whether it was going out on his boat, riding around on his 4-wheeler in the sand pits by his house, or taking a leisurely drive around the neighborhood on his golf cart. Eric was a family man, and without fail could be found every night by the firepit with his son, no matter the time of year. Eric was a husband, a son, a brother, an uncle, a friend, but most importantly to him he was a father. Without a doubt it has been and will remain his greatest achievement, and something he was and will always be most proud of.

Eric leaves behind his wife of 20 years, Stephanie Brussell; son Ethan Brussell and daughter Alexis Presley; mother and father Carolyn and Mike Brussell; brother Jason Brussell and sister-in-law Missy Brussell as well as many other family and friends. He is preceded in death by his grandparents Charles & Shirley Gillow, Jack & Lois Brussell and niece Quillen McDaigle.

A Memorial Service and Celebration of Life will be held from 12PM-4PM, Saturday, February 3, 2024 at Lakeside Ranch, 4554 E. Windmill Drive, Inverness, FL 34453.

In lieu of flowers the family has asked that donations be made in Honor of Eric Brussell in Memory of his niece Quillen McDaigle to the TBCD Foundation.
