

Richard "Rick" Alan McKee, age 63, of Inverness Florida passed away peacefully on March 17th 2024 surrounded by loved ones.

Rick is survived by his three children; William Christopher, Frances Margaret, and Christina Marie. He also leaves behind his best friend Suzanne Nigro, his adoring grandchildren whom he loved beyond words, and many more close friends and family.

He was preceded in death by his parents, William and Authelia McKee, his brother, Greg McKee, and his grandson, Kaleb Ahles.

Rick was known for loving his grandchildren without bounds, being a supportive father in teachable moments, and making sure everyone was well taken care of. He found an abundance of joy in bonding with his grandson, Carson, in the same ways he did with his children in their younger years.

In his later years, Rick enjoyed living on his boat. He also enjoyed traveling and experiencing new cultures including Mexico, Costa Rica, and the Philippines.

Rick had a beautiful life doing what he loved. Fishing, building and racing cars and mud trucks, spending time with his family and ultimately living every day like it was truly his last. He will be missed tremendously.

In lieu of flowers, we ask that donations be made to Citrus Hospice House.

Arrangements under the care of Brown Funeral Home & Crematory in Lecanto, FL.
